Der Energy Blockchain Hack startet jetzt!

Teilnehmer aus:

5 Tickets für den
Energy Blockchain Hack
Abschlussabend
am Mittwoch, 5. Dezember, 16 Uhr:
innovation@swisspower.ch

The background is a dark blue space filled with numerous glowing, semi-transparent blue cubes of various sizes and orientations. Some cubes are in sharp focus, while others are blurred, creating a sense of depth and movement. The cubes appear to be floating and interacting with each other. In the background, there are faint, glowing lines and patterns that resemble data streams or digital networks, adding to the high-tech, futuristic aesthetic.

**Die Energiewende
findet Stadt.**
